Language Program at Gorman Crossing ES

Knowing more languages in the United States is becoming more valuable than ever! Prepare your child for tomorrow's economy by enrolling him or her in a language course today. The earlier children learn a second language, the more fluent they become!

We are offering an after-school Spanish language program here at the school through Language FUNDamentals. This program is DIFFERENT from other programs in that it emphasizes FUN and LEARNING in a casual, conversational atmosphere. Language FUNDamentals has been highly recommended by other area schools and was focus-group tested on Montgomery County public and private schools.

If you have general questions about Language FUNDamentals, visit www.languagefundamentals.com or call 301-312-8847
